Life and AD&D coverages are provided under a group insurance policy (Policy Form GPNP99 or G2130-S) issued to your employer by MetLife. Life and AD&D coverages under your employer's plan terminates when your employment ceases when your Life and AD&D contributions cease, or upon termination of the group insurance policy. Should your life insurance coverage terminate for reasons other than non-payment of premium, you may convert it to a MetLife individual permanent policy without providing medical evidence of insurability.

This summary provides an overview of your plan's benefits. These benefits are subject to the terms and conditions of the contract between MetLife and your Plan Sponsor and are subject to each state's laws and availability. Specific details regarding these provisions can be found in the booklet certificate. Nothing in these materials is intended to be advice for a particular situation or individual. Please consult with your own advisors for such advice. Like most group insurance policies, insurance policies offered by MetLife contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force. Please contact your benefits administrator or MetLife for costs and complete details.

1 Features may vary depending on jurisdiction.

2 Total disability or totally disabled means your inability to do your job and any other job for which you may be fit by education, training or experience, due to injury or sickness. Please note that this benefit is only available after you have participated in the Basic/Supplemental Term Life Plan for 1 year and it is only available to the employee.

3 The Accelerated Death Benefit due to Terminal Illness Rider pays between 50%-100% (depending on plan design) of an insured's Life Insurance proceeds (with the balance payable upon final claim) in most states if the insured becomes terminally ill. Conditions and restrictions may apply. Any outstanding loans will reduce the cash value and death benefit.

The ABO benefits are intended to qualify for favorable federal tax treatment under Section 101(g) of the Internal Revenue Code (26 U.S.C. Sec 101(g)), in which case the benefits will not be subject to federal taxation. This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances. Receipt of ABO benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of ABO benefits will have on public assistance eligibility for you, your spouse or your family. This is a life insurance benefit that also gives you the option to accelerate some or all of the death benefit in the event you meet the criteria for a qualifying event described in the policy. This policy or certificate does not provide long-term care insurance subject to California long-term care insurance (LTC) law. This policy or certificate is not a California Partnership for Long-Term Care program policy. LTC insurance provides nursing home care, home-health care, personal or adult day care for individuals above age 65 or with chronic or disabling conditions that need constant supervision. This policy or certificate is not a Medicare supplement (policy or certificate).

4 Subject to state law, and/or group policyholder direction, the Total Control Account is provided for all Life and AD&D benefits of \$5,000 or more. The assets backing the Total Control Account (TCA) are maintained in the general account of MetLife or the Issuing Insurance Company. These general accounts are subject to the creditors of MetLife or the respective Issuing Insurance Company. MetLife or the Issuing Insurance Company bears the investment experience of such assets and expects to earn income sufficient to pay interest to TCA Accountholders and to make a profit on the operation of the TCAs. Regardless of the investment experience of such assets, the effective annual rate on the Account will not be less than the rate guaranteed on the welcome guide. The TCA and other available settlement options are not bank products and are not insured by the FDIC or any other governmental agency. In addition, while the funds in your account are not insured by the FDIC, they are guaranteed by each state's insurance guarantee association. The coverage limits vary by state. Please contact the National Organization of Life and Health Insurance Guaranty

Associations (www.NOLHGA.com or 703-481-5206) to learn more. FOR FURTHER INFORMATION, PLEASE CONTACT YOUR STATE DEPARTMENT OF INSURANCE.
